NEX-GEN ABODE – The Future House

Here is a chance for young potential innovators to play with their fantasies and mark a real advancement in the field of science and technology. The “*Innovation Club*” under “*Innovation, Incubation and Entrepreneur Development Center-IIEDC*” is inviting your imagination for designing a ‘*Future House*’ covering the following themes:-

- ✚ Energy Conversation
- ✚ Sanitation
- ✚ Waste Management
- ✚ Economics and Daily Utilities

And implementing them in different areas of house viz. Living room, Garden, Kitchen, Bedrooms etc.

The essential part of creativity is not being afraid to fail

So direct your anxiety to re-define innovation by seeing what everybody has been seeing as a house and transforming it to what nobody has ever thought of, creating a sustainable future through building preservation, green architecture and smart design. Participate in this “Energy Harnessing” competition and for doing so kindly register with us before 22nd October 2015 on <http://goo.gl/forms/xAxLTfTJU9> (link shared on the facebook page).

Submit your ideas by emailing us at club.innovation@nitsri.net in the form of PPT, Models or Posters or in any other form through which the theme could be described and interpreted easily, before 28th October. Pictures of model and posters along with their description kindly be mailed. The top 7 shortlisted candidates or teams have to present their ideas to the audience and judges on 31st Oct at NIT Srinagar, Common Hall. Shortlisted candidates will be informed through mail or phone.

Rewards for the participants include:

- Certificate of participation for the above mentioned top 7 candidates/teams.
- Cash rewards of ₹ 3000, ₹ 2000, ₹ 1000 for top three
