**HAZRATBAL SRINAGAR-190006 KASHMIR (J&K)**

**Date: 11-10-2018**

### **Advertisement Notice**

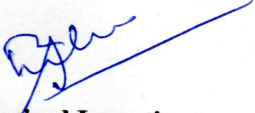

Applications on plain paper are invited for the post of Junior Research Fellow JRF/Project Assistant in a purely time bound sponsored project undertaken by Indo-Tunisia Joint Project entitled "Development and Tribological Characterization of Self Lubricating Nano-Sialon Ceramic Composites. The engagement shall be co-terminus with the project

Eligible persons may apply on the prescribed format as per DST guidelines along with complete bio-data, recent passport size photograph, attested copies of relevant certificate and the name of two referees (with address email and phone No.'s) to the **Principal Investigator by or before 22-10-2018**

Details are given below:-

1. Name of the Temporary position:- JRF (Junior research Fellow)
2. Name of Research Project:- Development and Tribological Characterization of Self Lubricating Nano-Sialon Ceramic Composites
3. Name of Funding agency:- Department of Science and Technology GOI
4. Tenure of Scheme:- Two years/Co-terminus to project
5. Number of posts:- One (1)
6. Job Description :- Research related to Project work in Tribology Laboratory
7. Qualification:- Post Graduate Degree in Basic science ( Physics & Chemistry) with NET qualification or Graduate Degree in Professional Course with NET qualification or Post Graduate Degree in Professional Course in Mechanical/ Metallurgical & Materials Engg/ chemical Engg
8. The Experience or relevance in the field of Materials/Tribology is desirable for those candidates possessing Non Professional Qualification.
9. Consolidated Monthly Fellowship:- Rs 25000/- + 20% HRA

For Additional details/Information about the project, the candidate may contact the principal Investigator at the following address
