## **The Naropa Fellowship Programme**

The Naropa Fellowship is a one-year, fully-residential, post-graduate, academic programme focused on creating and nurturing agents of change who will work towards fostering an ecosystem of entrepreneurship and growth while preserving the cultural heritage of the Himalayan region. In order to reach out to the student community about the Naropa Fellowship programme, one day awareness session is being organized through IIED Centre, NIT Srinagar, to ensure maximum students benefit from the programme.

The driving purpose behind the Naropa Fellowship is the urgent need to not only retain local talent but also develop entrepreneurial skills that can help foster a robust socio-economic environment in Ladakh and the Himalayan region. Additionally, there is also a need to educate the younger generation regarding the importance of maintaining their distinctive culture and heritage.

The Fellowship is thus designed to address the rising challenges of unemployment, lack of training and professional skills, and gradual cultural erosion in the Himalayan region. Aimed at creating community-spirited future leaders, the Naropa Fellows will be equipped with the skills and tools needed to successfully promote business, enterprise and civic leadership in a 21st-century world. A Naropa Fellow will exhibit a strong sense of purpose and commitment towards working for the upliftment of Ladakh and other such remote Himalayan regions.

### **About the Founding Class**

The Founding Class of the Naropa Fellowship will admit 50 Fellows in the class of 2018. All students of the founding class will be fully funded and eligible for full scholarships. The scholarship will also be available to international students on a needs-only basis.

The total fee for the Programme stands at INR 12 lakhs. For the founding year, all Fellows will be awarded scholarships. The scholarship offered will cover full tuition as well as the food and lodging costs.
