

Following is the list of areas of specialization corresponding to prospective supervisors for admission to Ph. D. Programme in Chemical Engineering Department for the year 2018-19.

S.No.	Prospective supervisor	Areas of specializations
1.	Dr. Muhammad N. S. Khan	i. Biomass Conversion to Energy ii. Bioremediation iii. Environmental Pollution Abatement iv. Down Stream processing in Biochemical Engineering v. Down stream processing in Chemical Engineering vi. Fermentation, modeling and simulation
2.	Dr. F. Q. Mir	i. Membrane (Synthesis, Characterization and Separation) ii. Fuel Cells iii. Electro dialysis iv. Electrochemical systems v. Heat Transfer and Fluid Mechanics
3.	Dr. M. A. Rather	i. Biomass conversion ii. Nanotechnology iii. Photo catalysis iv. Environmental/Pollution v. Waste water

Sd-

(Dr. Muhammad N. S. Khan)

Professor & Head
Chemical Engineering
